MOTOTRBO R7

BE HEARD ABOVE ALL ELSE

PROVIDING NEXT-LEVEL NOISE CANCELLATION, LOUDNESS, AND CLARITY, SO YOU CAN HEAR AND BE HEARD ANYWHERE YOU OPERATE.

How long does it take for your team to hear and be heard in your loudest operating environments? How is the delay in communications affecting your operations?

Hear clearly the first time – when it matters most – with MOTOTRBO R7.

MOTOTRBO R7 is a digital portable two-way radio offering game-changing audio capabilities in a rugged, future-ready device. Its advanced audio processing ensures that your communications are heard loud and clear, while its rugged construction is ready for harsh environments, and advanced connectivity options get your workforce ready for tomorrow.

MOTOTRBO R7 FEATURES:

- 2.4 in. 320 x 240 px. QVGA display for easy navigation
- Front and back microphones for advanced noise cancelling
- Powerful forward-facing speaker, positioned behind the keypad, delivers loud and clear audio of 102 phons
- 2.4 GHz and 5 GHz Wi-Fi and Bluetooth 5.1 for simple connectivity
- Slim, long-lasting battery for more talk time
- Large emergency button with optimized ergonaomic design

All these features fit into a streamlined design, easy for your teams to carry for an entire shift — and beyond.

SHARP, CLEAR AUDIO TO COMMUNICATE IN ANY SITUATION

Providing next-level noise cancellation, loudness and audio clarity, MOTOTRBO R7 excels where audio communications can be challenging. Featuring Adaptive Dual Microphone Noise Suppression for increased clarity, Automatic Acoustic Feedback Suppression for a seamless voice experience in tightly packed areas, and Intelligent Audio to monitor and adjust speaker volume over background noise, the MOTOTRBO R7 lets your team hear and be heard the first time.

BUILT TO OUTPERFORM AND CONNECT WHEN IT COUNTS

Powered by MOTOTRBO systems, R7 is ready to connect your team with customized voice coverage anywhere you do business. Built rugged and tested to meet military standards, the MOTOTRBO R7 is tailored for business, tested to outlast the toughest environments, and ready to outperform your requirements and expectations.

MOTOROLA SOLUTIONS TECHNOLOGY ECOSYSTEM

Motorola Solutions has developed the first and only technology ecosystem that unifies voice, video, data and analytics in a single platform, enabling your enterprise to work together in more powerful ways. We call it Safety Reimagined. MOTOTRBO R7 is built into this ecosystem so you can keep your team connected and streamline critical communications, while collaborating with video security systems, sensors and more.
